Brothers & Sisters,

We wanted to let everyone know that we will have representatives from the FRA at our November 1st, 2017 meeting. These are formal meetings so there will be no alcoholic beverages allowed in the room. The FRA representatives will be the first order of business and then they will leave.

Please plan on being at this meeting so you can have your questions answered. If you cannot be in attendance, please have someone you know attend so they can ask the questions for you.

Fraternally,

Thomas M. Zavadsky
Secretary/Treasurer
Division 404
