October 4th, 2017

Brothers & Sisters,

Just a reminder that representatives from the Federal Railroad Administration will be attending our regularly scheduled Union meeting on November 1st, 2017.

Some of these representatives will be from the OP, Signal, MP&E, and possibly the Hazmat departments.

This would be a great time for you to get your questions answered by the Professionals.

The FRA representatives will start the meeting and once they're done, they will leave and we will resume our regular scheduled meeting. There will be no alcohol allowed during the FRA presentation.

Looking forward to seeing everyone at the meeting if your schedule permits!

Fraternally,

Thomas M. Zavadsky
Secretary/Treasurer
Division 404
